CALIFORNIA GOLDEN SEALS VS. PHILADELPHIA FLYERS  
Friday, October 25, 1974

SEALS' RECORD: 1-4-3

FLYERS' RECORD: 4-2-1

### TEAM NOTES

SEALS-FLYERS SERIES--Flyers lead the all-time series with a 23-15-11 mark.

The Seals, however, hold a slight 11-9-5 edge at home. The Seals dropped all five games played last season. The last Seals' victory over the Flyers was a 4-1 decision at Philadelphia on Oct. 15, 1972. The last home victory was a 3-1 win on January 23, 1972.

PENALTY RECORDS--Seals and Flyers combined for a new California Seals' penalty record for both clubs when they totalled 129 minutes (85-Flyers and 44-Seals) in one game on December 2, 1973. Other penalty records established in that game were: the one period record for both teams at 115 minutes and most penalty time in one period by Seals at 40 minutes. (Note: The most penalty minutes by the Seals in one game is 57 minutes against Pittsburgh set in 1971-72).

NEW FLYER FACES--The Flyers have unveiled three new faces in the lineup this season--forward Reggie Leach, acquired from the Seals, defenseman Ted Harris and goalie Wayne Stephenson, obtained from St. Louis.

### INDIVIDUAL NOTES

SEALS' STAN WEIR WITH SIX GOALS IS 30 games ahead of his goal scoring pace of last season. It wasn't until the 38th game of 1973-74 that Weir scored his fourth goal.

FLYERS' BOB KELLY is off to a fast start with three goals. He only scored four all last season in 65 games.
