

San Francisco / California Seals Game-by-Game WHL Record

Note: Attendance figures should not be considered official. Neither the Seals nor any other WHL or NHL team published official attendance figures at the time. All figures come from various newspapers, which often published different figures for the same game. More attendance figures will be added in due time. Many thanks to Chuck Nan for taking the time to look up the Seals' home attendance figures, and exhibition game statistics, and for allowing me to use them.
